Provincial Arm Chair and Directoire Arm Chair from the Revisions collection. Through your designer.

Out of the archive

Manheim-Ruseau archival furniture reproductions borrow from the European classical movements. They include 150 furniture designs in 25 finishes. The range of inspiration includes English, French and Italian antiques. Shown, a

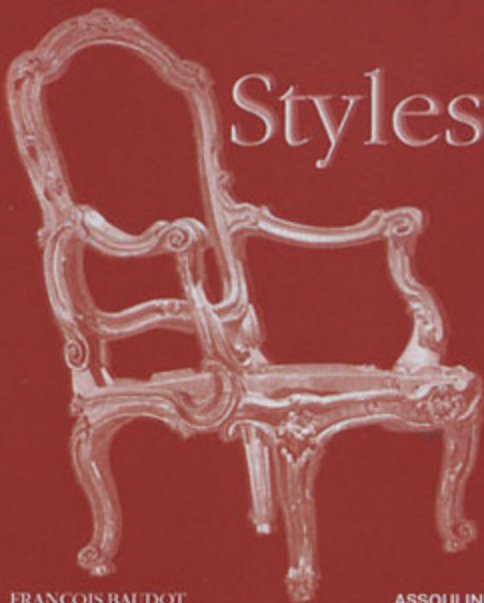

Ageless

Compendium of Interior Styles by Francois Baudot, Assouline, 2005, \$70, hardcover. This new book follows a chronology of interior and furniture styles with examples from beautiful houses. In two parts, the first section begins with the Medieval era and ends in the 20th century. The second part is devoted to the roots of design from the Belle Epoque to contemporary aesthetics. Book sold at Assouline boutiques, Saks Fifth Avenue and fine bookstores. www.assouline.com
